Subject:	Re: A lunch in SF

Dear Jack
We've enjoyed very much the lunch with you and your wonderful wife Celeste.
Re our discussion:
1) Altalena. I would recommend Salai Meridor, former IL ambassador to the US and son of Eliyahu Meridor (not Jacob).
Alternatively: Danny Naveh, former Likud Minister(Health) now in business.
2) Suing EO and Gov.
I've thought of:
a) Meitar, Liquornik
b) Goldfarb, Levi
c) Herzog, Fox
They are all leading law firms ,who to the best of my memory did not represent EO, but each of them might have some other source of conflicting interests.
If none of those will be relevant let me know and I'll think of others.
3) GADECO. If/ when it turns out relevant again I might try to introduce it to the CH player.
4) re the rest : I leave it to your judgment.

Warm regards to Celeste from Nili as well.

Best
EB
